6. Comments from HUD:

Total Annual Renewal Demand corrected due to HUD's correction of the administration costs calculation on the GIW.

7. In the text box below, enter any comments to be considered by HUD. Be specific:

Upon receiving the corrected GIW from our local HUD office, the numbers did not look correct. We worked with our local HUD office - Darrel Bugajski - to correct a few missing administrative items from our spreadsheet, which raised the final ARD. The final amount approved by the CoC and local HUD is \$51,470,531. I am attaching the spreadsheet for HUD's review.
